

## OVERVIEW

For over 45 years, Shaw University has been a leader in offering innovative degree programs for adult learners designed with one objective in mind: helping you succeed in college. Over 4,000 adult learners have graduated from Shaw University within the past twenty years!

At Shaw University, busy adults can advance their careers, gain skills necessary to change jobs, or vastly enrich their personal lives through part-time or full-time evening studies. The Shaw University CAPE program offers undergraduate degree completion programs designed to meet the unique needs of adult learners.

As an adult student at Shaw University, you will embark on a journey that is sure to challenge and develop your already proven talents and abilities. Your Shaw University experience will be filled with new perspectives, life-changing lessons, and exciting opportunities.

Shaw University professors who understand adult student motivation combine theory and research with practical experience to facilitate learning outcomes in the classroom, online, and in the field. Dedicated academic resources are available throughout the year to provide assistance and support at times that are convenient for you.

Shaw University graduates complete comprehensive programs of study that prepare them for in-demand careers in today's 21st Century workforce. To view majors offered at a campus near you visit us online at [www.ShawU.edu/CAPE](http://www.ShawU.edu/CAPE).
