Change of Academic Catalog Form

When students matriculate with Pamlico Community College, they come under the academic requirements of the edition of the college catalog at that time. Students may graduate under these academic requirements within a period of five years even though subsequent catalogs may change.

Should new changes be to their advantage, students may graduate under the conditions of the newer catalog, if they so desire. In order to change a student's catalog of record, you must fill out the following form and return it to the college registrar. **This process should be completed before the semester starts for financial aid purposes.**

I, _____ wish to change from the _____ academic catalog and fall under the regulations of _____ academic catalog.

Student signature: _____ ID #: _____ Date: _____

Advisor signature: _____ Date: _____

When a student misses a semester or more, they automatically fall under the most current academic catalog.

_____ ID#: _____ has missed a semester or more and now falls under the _____ academic catalog.

Advisor signature: _____ Date: _____
